Organizer

Founded in 2000, CREA is a feminist human rights organisation, based in New Delhi, India. It is one of the few international women's rights organisations based in the global South, led by Southern feminists, which works at the grassroots, national, regional, and international levels. Together with partners from a diverse range of human rights movements and networks, CREA works to advance the rights of women and girls, and the sexual and reproductive freedoms of all people. CREA advocates for positive social change through national and international for a, and provides training and learning opportunities to global activists and leaders through its Institutes.
